South Riding Proprietary is lucky to have many long-term resident volunteers. Today we are spotlighting Ken Smith who serves with the Neighborhood Watch Committee.

Ken responded to a call for volunteers published in our magazine back in 2006 and really enjoys working with the other members of the Committee. Jeff Smith, the Staff liaison to NW for the last 10 years and SRP’s Director of Facilities and Grounds describes Ken as “a really nice, private guy, someone you can count on and he loves this community.”

Ken, a software developer, moved to South Riding from Falls Church in 2001. When asked what he loves most about living in SR, his reply was the ‘community activities’. Each year, the NW Committee organizes and hosts SR’s National Night Out. This is a nation-wide event held the first Tuesday in August. The Committee brings neighbors, residents, crime prevention, and safety and rescue professionals together.
