

## Traffic Signal - Loudoun County Parkway and Edgewater Street – Timeline and Summary

---

*This signal is being installed under a proffer from Toll Brothers that is still outstanding from the original South Riding rezoning. The signal has met VDOT warrant requirements. The project is expected to last 4-5 months, weather permitting, and the signal should be operational by late this year or early 2024.*

**8/30/23:** Photo - showing infrastructure installations underway.
