

## America Square Park – Timeline and Summary

---

**December 19, 2025      PARK IS OPEN!**

We're excited to share that the new playground off America Square is complete! This fun and visually engaging playground was created for children ages 2–12. Featuring Playworld's nature-inspired *Branch Out* line, kids can climb and explore Playcubes and infiNETS or enjoy the basket swings, perfect for individual or group play. We're proud to bring this thoughtfully designed playground to our community and can't wait to see it filled with laughter, play, and connection.

Welcome  
to  
America  
Square Park  
The playground is  
designed to provide  
opportunities for  
children to explore  
their world and  
develop their skills.  
Please do not feed  
the birds.  
Look out for damage  
to the trees and  
plants.  
Remove all trash  
and recycling.

**September 24, 2025** - We're thrilled to share the America Square Playground replacement plans. We've partnered with designers from Playground Specialists and Playworld to create a playground that's not only incredibly fun but also visually appealing.

In accordance with the community's 2024 Replacement Reserve Study, several upgrade concepts were developed for the America Square Park playground. One plan was selected and approved by both the Parks & Recreation Committee and the Budget & Finance Committee in June 2025.

The Board of Directors approved the plan in July 2025.

We learned today that the installation of the new playground equipment is expected to begin in late November 2025. We believe this will be a fantastic addition to our community!

Please see the following pages for digital images of the playground equipment.
